

## McKay’s Week-At-A-Glance (WAAG) for McKay Families: May 15<sup>th</sup> – 19<sup>th</sup>

We have enjoyed another positive week of learning at McKay. Congratulations and thank you to the McKay staff Planning Committee for their work in planning and implementing both of our Diversity Days, to all of our staff for supporting this wonderful initiative for our students and community, and to the Parent Volunteers who shared some of the highlights of their family’s cultural traditions with our students. These Diversity Days are another example of the strong partnership between the students, staff and families at McKay.

It looks like our summer weather has finally arrived, and temperatures will be high in the upcoming days. Hope you enjoy some of it this Mother’s Day weekend. Our staff are looking forward to creating some meaningful outside learning opportunities for your children next week.
