

McKay's Week-At-A-Glance (WAAG) for McKay Families: May 8th – 12th

Congratulations On An Exciting and Positive Week at McKay!

What an amazing week it has been – with a very successful (and warm) Track Meet at Minoru on Thursday and an outstanding day of learning at our first of two Diversity Days! Thanks to our SEL Diversity Days Planning Committee who planned these special events and to the 32 Parent Volunteers who helped create some powerful learning experiences for our students.

These two events are exemplars of why McKay is such an amazing place to call home. The enthusiasm and sportsmanship our students showed at the Track Meet was heartwarming and the feeling in the building as we celebrated the diverse cultural backgrounds within our learning community – and learned about the traditions that many of our families celebrate during the first Diversity Day was wonderful to experience.
