

McKay's Week-At-A-Glance (WAAG): October 16th - 20th

Our grade 6 and 7 students were lucky to have great weather this past week when they headed to Camp Jubilee for Outdoor Education! Thank you to our teachers Mrs. Boettcher, Ms. Wai, Mr. Ledesma, Mrs. McLeod, and Ms. Wong, who organized the experience and accompanied the students for three days of adventuring and learning in the outdoors.

This week we have our first informal learning update for the year in the form of parent conferences. Our teachers are looking forward to the chance to sit down with you to learn more about your child, to explore ways to help them have a successful year of learning in their classrooms, and to share their first impressions of your child's progress so far in areas of learning including literacy, numeracy, and social emotional learning.
