

Joining a Zoom Meeting

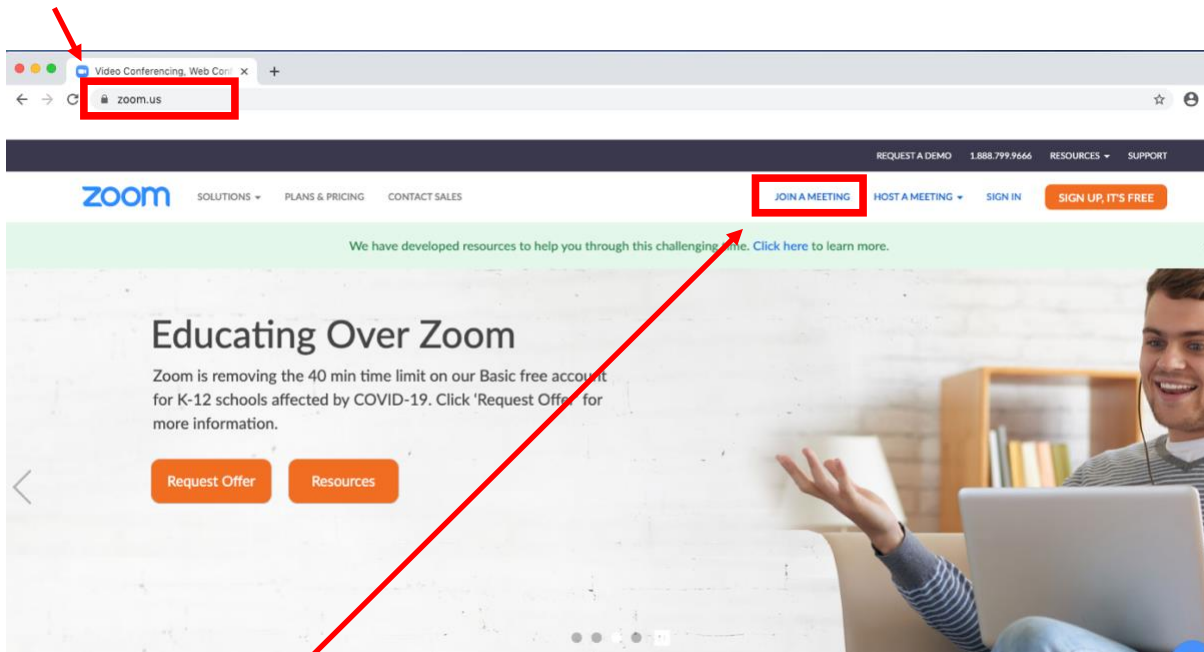

Students do not need to have a Zoom account in order to join a Zoom meeting.

There are a few different ways to join.

Joining a Zoom Meeting using a Meeting ID:

A teacher may send a meeting invitation to a student/parent that includes a meeting ID and a meeting password.

Step 1: Open a web browser (Chrome is recommended) and go to the website: 'Zoom.us'

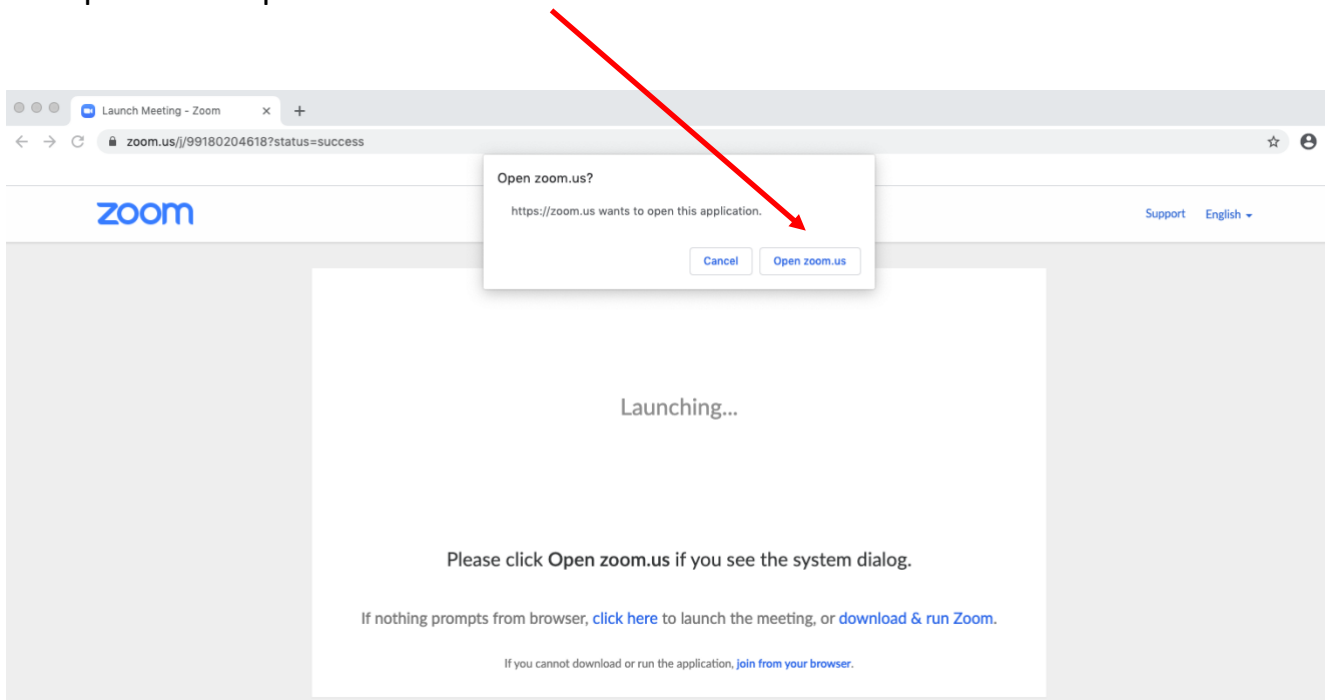

Step 2: Click 'Join a Meeting'

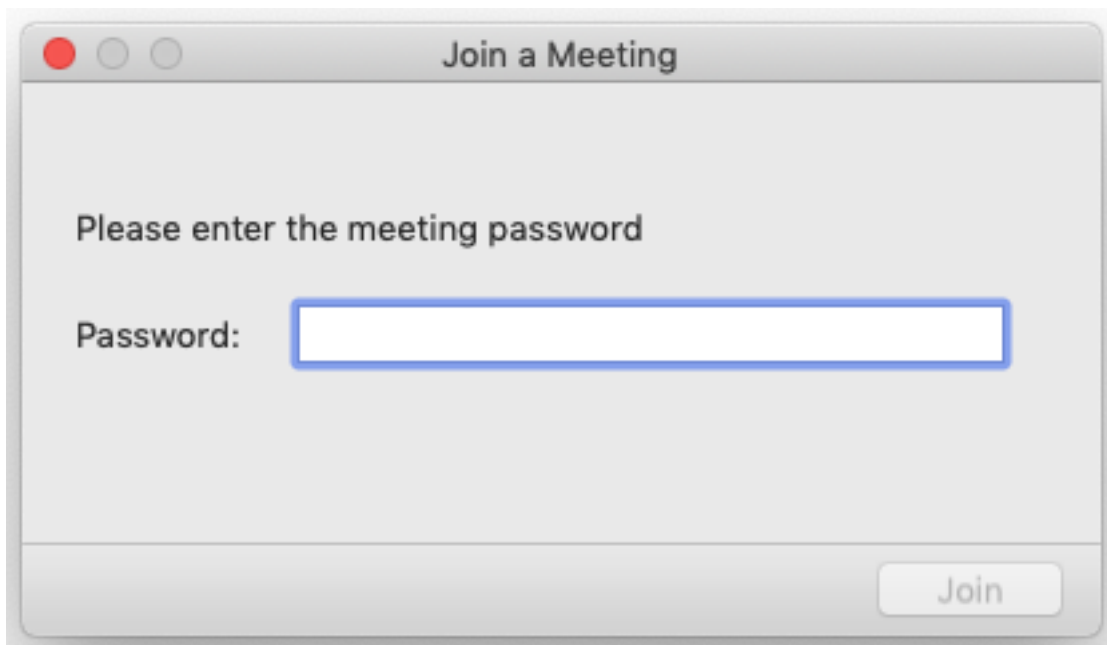

Step 3: Enter the Meeting ID and click 'Join'

Step 4: Click 'Open Zoom.us'

Step 5: Enter the meeting password and click 'Join'

You may be asked to enter your name, allow your audio, and allow your video.

Joining a Zoom Meeting using a Meeting Link:

A teacher may send you a meeting link, such as:

Join Zoom Meeting
<https://sd38.zoom.us/j/99180204648>
Meeting ID: 991 8020 4617
Password: 787136

You can click on this meeting link, but it will open the link in your default web browser. Zoom works best using Chrome, so another option is to open Chrome, copy the meeting link and past it into the URL.

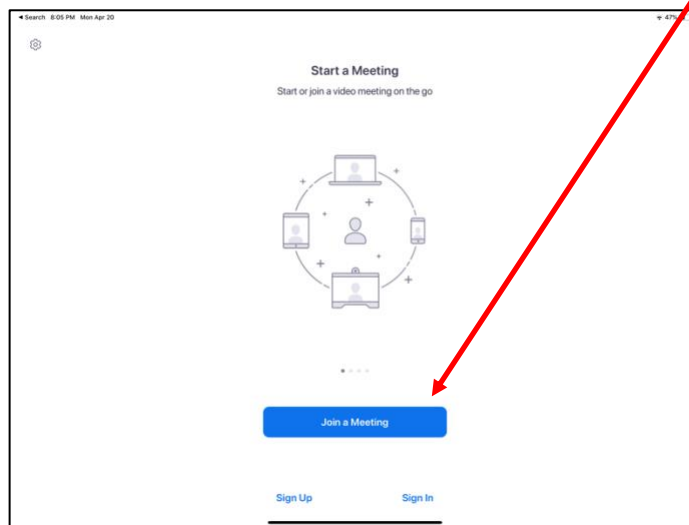

It would then take you directly to step 4 listed above.

Joining a Zoom Meeting using an iPad:

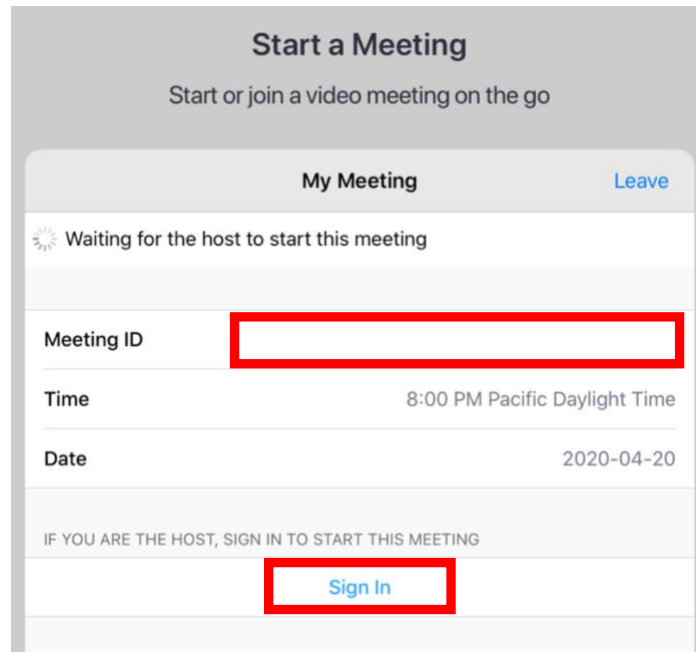

Step 1: Download the Zoom application from the app store

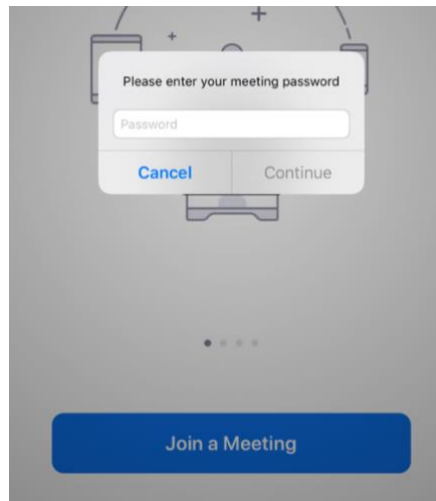

Step 2: Tap the Zoom icon to launch the application and tap 'Join Meeting'

Step 3: Enter the Meeting ID and click 'Sign In'

Step 4: Enter the meeting password and click 'Join a Meeting'

You will enter the meeting once the teacher accepts you from the waiting room
