

McKay's Week-At-A-Glance (WAAG): Apr. 27th - May 1st

Hello McKay Families!

Term 2 Written Learning Updates have been published to the MyEd Parent Portal. Your child's report describes where they are at in their learning, work habits, and social emotional learning at this time of the year. While it feels like time is accelerating, we still have plenty of learning ahead of us over the next 9 weeks, and together, hope to encourage your child to conclude the year strong. Have a conversation with them... what will they try to do this term to strengthen an area?- Maybe striving to arrive at school on time, or to finish assignments with their best effort. We look forward to seeing that growth over Term 3!

We have many special events coming up over the next while, so please pay careful attention to notices and emails to ensure that all permission forms are signed, and you have all the important information. A huge thank you to our PAC who are sponsoring the whole school on a field trip to Gateway Theatre to see the Tzinquaw Dancers on Thursday, May 7th! Field trip forms will come home on Monday, April 27th.

Ms. Livingston

National Child & Youth Mental Health Day

When Our Children Hurt Inside:

NURTURING AWARENESS AND THE POWER OF RELATIONSHIPS

Younger children can experience emotional pain that they don't yet have the words to describe. Sometimes this shows up as statements about not wanting to be here or behaviours that look like self-harm. This gentle, supportive session may help parents and caregivers understand why these moments happen, what they may mean, and how to respond with calm connection. Together we'll explore how small moments of being seen, heard, and supported can make a big difference in a child's safety and well-being.

THURSDAY MAY 7, 2026 | 6:30 PM - 8 PM (PST)

Meet the Speaker

Join Katie DeReus a Registered Clinical Counsellor with over 20 years of experience as a teacher and Elementary School Counsellor. As both a professional and a parent, Katie brings a depth of insight to the challenges and well-being of young children.

Subject: Your Voice Matters – BC Student Learning Survey

Dear Parents and Guardians,

We want to hear from you! Please share your thoughts about your child's learning by completing the **BC Student Learning Survey (SLS)**. This survey happens every year and helps us make education better for all students in BC.

Why your opinion matters:

- It's the only survey that asks parents across BC about their child's learning.
- Your answers add to what students and staff share, giving a full picture.
- Results help identify areas of concern and guide improvements.

Please complete the survey by May 1, 2026:

https://www.awinfosys.com/surveyfull1/central/main/access_Parent.asp

- Available in 18 languages
- Takes about 30 minutes
- Voluntary and anonymous

Your responses are anonymous, securely stored in Canada, and not linked to your child.
