

McKay's Week-At-A-Glance (WAAG): June 22nd - June 26th

Hello McKay Families!

This is our last Week at a Glance for this school year!

For our last four days, we will wrap up the year, reflect, and celebrate. On Tuesday, we will celebrate our grade seven students (grade seven families have already received information about the activities for that day) and classes will also be concluding in their own ways over the week. On Thursday we gather for a last time as a school (students and staff only) for this year.

To wrap up the year, please:

- Let the office know immediately if your plans for returning next school year have changed in any way
- Return any school items (library books, borrowed classroom items, etc.)
- Settle any outstanding school fees with the office.
- Check the lost and found for any items that may be yours (everything remaining will be donated)
- Consider responding to the Universal Hot Lunch survey below (QR code)

Thank you for helping us close this year smoothly... so that we can look ahead to another great school year upcoming for 2026/27!

Ms. Livingston

Saint-Jean-Baptiste Day, also known as St. John the Baptist Day or the Fête nationale du Québec, is a major national holiday in Quebec, Canada, celebrated annually on June 24th. It honors the patron saint of Quebec, Saint John the Baptist, and marks the start of the summer season with lively festivities, parades, and cultural celebrations. It's a time for Québécois to showcase their pride in their language and traditions.

The National Day of Remembrance for Victims of Terrorism is dedicated to honoring and remembering the victims of terrorism, both in Canada and around the world. The day was established in 2005 and is observed annually, coinciding with the anniversary of the Air India Flight 182 tragedy. It serves as a reminder of the impact of terrorism on individuals, families, and communities. The day is recognized by the Canadian government and is observed through various events and ceremonies across the country.

Canadian Multiculturalism Day is celebrated annually on June 27th. It's a day to celebrate the country's diverse cultures and communities, reaffirming Canada's commitment to inclusivity and respect. This day acknowledges the contributions of Canada's diverse people and encourages Canadians to appreciate their shared history and cultural richness.

Utilizing Feeding Futures as well as National School Food Program funding, the Richmond School District has been piloting a universal hot lunch program in recent months across elementary and secondary schools. To support planning for 2026/27, the district is requesting feedback from parents. Please click on [this survey link](#) or the QR code below – the survey will be open until Tuesday, June 30.
