

McKay's Week-At-A-Glance (WAAG) for McKay Families:

April 25th – 29th, 2022

It is hard to believe (especially with the cold weather outside) that the last week of April is upon us. As we approach the last two months of school, we are looking forward to lots of fun, and memorable experiences for our students and the community – and, as we have done throughout the pandemic, implemented in a safe and thoughtful way.

Track Attack Program Hitting the Finish Line This Week:

Our in-house Track Attack Program, which has been a great success, wraps up this week. Over the past 4 weeks program, students in Divisions 1 to 6 have rotated twice through 6 different Track and Field stations. Our hope for Track Attack has been for our students to have fun, to perhaps take an interest in some of these events, and to experience the benefits of regular exercise and physical activity.

Richmond Continuing Education – Summer Learning 2022

Summer 2022 is shaping up to be another exciting season of learning! There will be many courses and camps to choose from. More details about course information and registration dates can be found online at www.RichmondCE.ca. Your child's Personal Education Number (PEN) is required to register for Summer Learning classes. If you need assistance finding your child's PEN number, please email Ms. Perry at vperry@sd38.bc.ca.

Education Week 2022 April 25 – 29

Education Week is an opportunity to learn about some of the exciting learning opportunities happening in Richmond schools. Please take the time to visit the district website at www.sd38.bc.ca from April 25 - April 29 to enjoy the various examples of work that have been provided by staff and students.

New McKay Web-site Is Up and Running

We are pleased to announce that McKay now has an updated and fresh looking new web-site... with lots of great information for students and families, posts and articles that showcase some of the exciting events and stories of learning that take place throughout the year, and calendar events (and even this WAAG) to keep everyone up to date.

Please check out the School Story section of this new McKay Web-site. It highlights our focus on Kindness and includes student reflections on their learning about kindness, the impact that it had upon them - and the difference it made upon our school.

In the coming weeks, we will also be refreshing and updating the PAC section of our web-site; to provide you with the latest PAC-related news items and notices, and PAC-sponsored events. *Special thanks to parent-volunteer, Wendy Mok, for taking on the leadership role of updating this portion of the site for our community.*

New Information – Our Class and Team Photos Will Take Place on Wednesday, May 18th

A reminder that Class and Team Photos will take place during the morning of May 18th. Say "Cheese!"

Welcome to K Open House May 19th:

Our annual Welcome To K event for next year's Kindergarten students is taking shape and invites will be sent home later this week. This year's event will feature, for safety reasons, small groups of children and their families participating in some fun learning activities in the gym and meeting some of our staff. We look forward to meeting our future Mustangs very soon - on May 19th!
