

A Message from the PAC

Welcome to the McKay PAC
(Parent Advisory Council)!

As parents and guardians of McKay students, we invite you to participate in the McKay Parent community. The parents of McKay aim to support a welcoming and thriving learning environment in which all students engage in positive educational and social experiences.

The PAC supports building a positive and inclusive school community through open communication, and we invite you to be a part of this process.

If you wish to connect with McKay's PAC or if you would like to be involved in supporting McKay school, please do not hesitate to reach out to us through Mrs. Perry in the school office (vperry@sd38.bc.ca).

What is the PAC?

The purpose of the Parent Advisory Council (PAC) is to promote and support education and to contribute to the learning environment of McKay school.

PAC meetings give parents and school staff the opportunity to work cooperatively to make McKay's learning environment a positive and supportive place for children to learn.

All parents and guardians of students registered at McKay Elementary are automatically members of the PAC. It is up to you how much you choose to be involved.
