

McKay's Week-At-A-Glance (WAAG): May 26th – May 30th

Hello McKay Families!

It was another short, but very busy week! We had our district zone track meet on Tuesday, and were lucky to have great weather! Our students represented McKay very well, with excellent sportsmanship and effort.

We also welcomed our newest McKay Mustangs this past week... our 2025/26 kindergartens! It was fun to see so many younger siblings of our current students. And our grade seven students have been off visiting their high schools this week... an exciting time of transitions for our students.

Meanwhile, classes have been watching the life cycles of ladybugs and butterflies, digging a Miyawaki pocket forest on the side of our field, and planning for our Cargo to Canvas art project- our shipping container has been designed and prepped, and will be painted by students and professional artists next week! Come check it out!

With many year-end field trips, including our school-wide beach trip, there have been lots of notices going home... please check agendas and backpacks to get those permission forms back, and settle fees on School CashOnline.

And finally- thank you for supporting our PAC's fundraisers... the Plant Sale has been extended until Tuesday, and we hope to see some of you at Tyrion Lam's piano recital! Thank you to everyone who has donated so far!

Have a great weekend ☺
