

McKay's Week-At-A-Glance (WAAG):

Oct. 13th - Oct. 17th

Hello McKay Families! It was an exciting week for our grade 6 & 7 students who spent three days at Camp Jubilee for outdoor education. It was amazing seeing them learning new skills outside, and having a lot of fun along the way!

This week also had some torrential Fall rain! This means that all students should be prepared for rain everyday by bringing a rain coat to school, and consider having an extra pair of clothes, socks, and shoes in their backpack. **We go outside everyday in all weather**, so it is important that students have what they need to be comfortable outdoors.

Also, a gentle reminder that if you need to pick your children up early from school for an appointment, please let both your teacher and the office know ahead of time (email is great), so that we can have them ready. Teachers are not usually able to check email throughout the day, so a little more time is helpful.

Monday is Thanksgiving, and there is no school! We hope you all enjoy the extra time with family and friends.

Thanksgiving Day**

In 2025, Thanksgiving in Canada will be on Monday, October 13. It is celebrated annually on the second Monday of October.

Key details about the holiday:

- **Harvest celebration:** The holiday officially became an annual event in 1879. In 1957, Parliament set the date for "a day of General Thanksgiving to Almighty God for the bountiful harvest".
- **Origins:** The first recorded North American Thanksgiving celebration occurred in Canada in 1578 when explorer Martin Frobisher held a feast to give thanks for a safe voyage.

**Simchat
Torah**

It is the second of a two-day holiday that immediately follows the seven-day festival of Sukkot.

The name Simchat Torah means "Rejoicing with the Torah," celebrating the Jewish people's deep affection for the Torah and its study.

The central feature of this holiday is the completion of the annual cycle of weekly Torah readings, immediately followed by the beginning of a new one. This symbolizes the eternal nature of studying God's wisdom.

International Pronouns Day is an annual event observed on the third Wednesday of October. It was founded in 2018 by Shige Sakurai as a grassroots initiative to raise awareness about the importance of respecting, sharing, and educating about personal pronouns.

What is the purpose of International Pronouns Day? The day's primary goal is to normalize the practice of sharing pronouns and to create a more inclusive and respectful society for everyone. For transgender, non-binary, and gender nonconforming people, being referred to with the correct pronouns is a matter of basic human dignity. Intentionally or repeatedly using the wrong pronouns, known as "misgendering," can be hurtful and invalidating.

It is an annual event organized by GLAAD, the world's most visible anti-bullying campaign supporting lesbian, gay, bisexual, transgender, and queer (LGBTQ) youth. The event began in 2010 when Canadian teenager Brittany McMillan organized a Tumblr post asking people to wear purple in response to a string of bullying-related suicides of LGBTQ youth. The name "Spirit Day" comes from the purple stripe on the rainbow pride flag, which represents "spirit".

Action for #ZEROHUNGER

World Food Day is an annual event observed on October 16 to raise awareness about global hunger and promote action to achieve food security for everyone. It is one of the most celebrated days on the United Nations calendar, with events held in over 150 countries.

The International Day for the Eradication of Poverty is observed annually on October 17. The day raises awareness of the need to end poverty and destitution worldwide and recognizes the struggles of people living in poverty.

"The purpose of a woman's life is just the same as the purpose of a man's life; that she may make the best possible contribution to her generation."
— Louise McKinney (1868-1931)

Persons Day | October 18 #PersonsDay

Persons Day is a Canadian holiday celebrated on October 18th each year, marking a significant legal victory for women's rights. On this day in 1929, the "Famous Five"—a group of Canadian women—won a case that allowed women to be legally recognized as "persons" under Canadian law. This victory meant that women could be appointed to the Senate and participate fully in political life. Persons Day honors their fight for gender equality and is an important milestone in the women's rights movement in Canada.
