

McKay's Week-At-A-Glance (WAAG): Feb. 16th - Feb. 20th

Hello McKay Families!

Thank you for attending conferences with your child's teacher this week... it was wonderful seeing students showing you their learning. We value your partnership and collaboration in your child's education. Through the work of SD38 and McKay staff, we want to continue to emphasize that all students are important members of our school community and that each individual has unique skills, strengths, and gifts. Considering the recent school tragedy in Tumbler Ridge and moving towards Pink Shirt Day, being kind to ourselves, each other, and our community has never been more important. Hold each other close, and have a wonderful Family Day long weekend with friends and loved ones.

Ms. Livingston

Ramadan is the holiest month in Islam, observed by Muslims worldwide as a time of fasting, prayer, reflection, and community. It falls in the ninth month of the Islamic lunar calendar and lasts 29 or 30 days, depending on the sighting of the moon. During Ramadan, Muslims fast from dawn to sunset, abstaining from food, drink, and other physical needs, focusing on spiritual growth, self-discipline, and devotion to God. Nights are spent in prayer, including Taraweeh (special nightly prayers), and the Quran is recited. The month concludes with Eid al-Fitr, a festival of feasting and gratitude. Ramadan fosters charity, compassion, and a deeper connection with faith.

Journée Louis Riel Day

Louis Riel Day is celebrated in Métis homelands to commemorate the anniversary of Métis leader Louis Riel's execution in 1885. The day honors his legacy and celebrates Métis culture, traditions, and contributions to Canada. It is also observed as Family Day in other Canadian provinces, such as Manitoba, in February.

International Mother Language Day, observed annually on February 21, is a UNESCO initiative that promotes linguistic diversity and the preservation of mother tongues worldwide. Established in 1999 and first celebrated in 2000, it honors the importance of multilingualism in education, cultural identity, and social inclusion. The day also commemorates the 1952 Bengali Language Movement in Bangladesh, where students sacrificed their lives advocating for their right to use their mother language. Across the world, events, discussions, and cultural programs emphasize the need to protect endangered languages and foster appreciation for linguistic heritage.

Ash Wednesday marks the beginning of Lent, a 40-day period of fasting, prayer, and reflection for Christians leading up to Easter. Observed by receiving ashes on the forehead in the shape of a cross, it symbolizes repentance and mortality. It is a day of reflection, repentance, and spiritual renewal.

World Day of Social Justice, observed annually on February 20, is a United Nations initiative that promotes efforts to address poverty, inequality, and social exclusion worldwide. It highlights the importance of fair opportunities, human rights, and social protections for all, regardless of gender, race, or economic status. The day serves as a call to action for governments, organizations, and individuals to work toward inclusive development, fair labor conditions, and justice for marginalized communities. Various events, discussions, and campaigns take place globally to advocate for a more just and equitable world.
